Welcome to the 10th BATON ROUGE PRIDE FEST

For the past nine years, I've been fortunate to be a part of an amazing team that works all year to bring you the Baton Rouge Pride festival. Each of those years I've been more and more proud of what Baton Rouge has accomplished and the many ways we are finding to embrace and celebrate our pride, as well as to work toward a better sense of unity in our commUNITY.

This year we truly are proud to continue in the huge space the Baton Rouge River Center offers for our indoor, air-conditioned, family friendly celebration. We're also moving to new heights with even more generous sponsors, more resource fair vendors and more advertisers, who all partner with us to present this event (by paying the bills and keeping it free for you). Speaking of sponsors, we get to celebrate two Red Stripe sponsors this year – AHF and Cox – thanks to a generous \$10,000 donation from AHF and Cox's continuation of its donations of free cable advertising.

There is so much for all of us to be proud of:

- Our BR Pride planning team and scores of other volunteers work hard for you year after year to offer bigger and better events. Join me in thanking all of them!
- Our generous sponsors step up every year and make all this possible. Be sure to thank them!
- Mayor Kip Holden again proclaimed Baton Rouge Pride Day as June 11, 2016. It's his seventh consecutive time to honor us that way.
- Our entertainers get more generous and more numerous every year. Thanks to all of them for being here today.
- Finally, we're getting to recognize another great community leader as our honorary grand marshal.

Part of the 2016 Baton Rouge Pride planning team showing off this year's 10th anniversary T-shirts.

Those are just a few of the things we have to be proud of and thankful for. It's been a great year, and all of us on the Pride Fest team are happy to celebrate the 10th edition of BR Pride with you and excited about its future. If you've enjoyed what you've experienced today, tell your friends and invite them to join you here before the day is out!

Even more, consider joining the BR Pride team and helping to make sure all this happens again next year and the year after that and the year after that... Everyone is welcome to join the team as we work to build a sense of commUNITY in our area and to make it an even better place to live.

–Tom Merrill, Chairman, Baton Rouge Pride Inc.

Mayor proclaims 'Pride Day' again

Baton Rouge/East Baton Rouge Parish Mayor-President Kip Holden again signed a proclamation for our festival – declaring June 11, 2016, as Baton Rouge Pride/GLBT Pride Day in the city-parish.

Our thanks to the mayor for recognizing the importance of our community to the area and to the pride team for helping to make this happen again this year.

The mayor's proclamation, which can be seen at right, reads, in part: "Whereas Baton Rouge is a city composed of a great variety of diverse people, cultures, religions, sexual orientations, languages and customs, and whereas the gay, lesbian, bisexual and transgendered communities have contributed to the City Parish of East Baton Rouge through active involvement in cultural and economic progress, now, therefore, I, Melvin "Kip" Holden, Mayor-President of Baton Rouge and Parish of East Baton Rouge, hereby do proclaim June 11, 2016, as Baton Rouge Pride/GLBT Pride Day."

The proclamation, at right, signed by Mayor Kip Holden honors our festival by declaring June 11, 2016, as GLBT Pride Day.

Honorary Grand Marshal Is Energetic Leader In Community

The Baton Rouge Pride team is pleased to honor community leader and activist **Kayla Mulford** as this year's honorary grand marshal.

Mulford, who serves as **president of Capital City Alliance**, among many other community activities, was the unanimous selection of this year's Baton Rouge Pride team.

"We couldn't think of anyone better qualified to serve as the honorary grand marshal for the 10th anniversary celebration of Baton Rouge Pride," said John Deshotel, vice chairman of Baton Rouge Pride Inc. and head of the search committee for this year's grand marshal. "The things Kayla does in the community are certainly amazing."

Mulford has been active in Capital City Alliance since 2012 and has served as its president for nearly three years. She helped to organize the first **Louisiana Equality March** in 2012 and continued that work for three years, as well as organizing **CCA's holiday adoption project** that has raised more than \$10,000 to provide gifts to children affected by HIV/AIDS over the past five years. She also was a driving force behind the **Louisiana Loves** campaign last year and was instrumental in CCA's publication of a **GLBT wedding directory** – all just in time for last summer's marriage equality decision by the U.S. Supreme Court.

In addition to her rigorous schedule of service with CCA, Mulford also is active as a volunteer with a number of other community organizations and initiatives such as **Baton Rouge Pride, Pride 1, EQLA, Youth Oasis, Family Service of Greater Baton Rouge** and a host of other community causes.

Recognized in 2014 as the **Pride 1 Female Advocate of the Year**, Mulford's professional life, in addition to her community service, includes serving as a paralegal for approximately 10 years. She holds a bachelor's degree from LSU and says she has been with her "beautiful partner" for nine years and has four "furry kids that I am obsessed with." She also says she loves to travel, read, shop, attend concerts, binge-watch trash TV and occasionally enjoy a good bottle of wine.

Please join us in congratulating this extremely deserving member of our community as the 2016 grand marshal of Baton Rouge Pride. Kayla Mulford joins an esteemed group of community leaders and allies we've honored as part of this event, beginning in 2009, and has the distinction of being grand marshal for our 10th anniversary.

The idea of losing a loved one is something most would rather not think about. And yet, more and more people are finding value in planning with us. One reason is all the exclusive benefits we can offer through the Dignity Memorial® network, such as our One-Of-A-Kind Memorials, thoughtful tributes that recognize the importance and value of those who have passed on. But what people tell us they most appreciate is the way planning freed them to celebrate the life of one whom they will always remember. With respect and with dignity.
